

Trowse Parking for Trowse Residents

This vehicle is owned by a Trowse resident and registered to the village. It should therefore have the right to park by its registered address.

If you are also a Trowse resident please support the parish council aim to ensure that Trowse residents have priority to park in their village. Please display this note in clear view within your vehicle (in accordance with traffic regulations). We are also looking to gauge village opinion through our dedicated website trowseparking.co.uk. Please post any helpful suggestions via this website. Or contact the parish council lead James Smerdon either via jamesmerdon@yahoo.co.uk or leave your comment in the parish council mailbox at the Manor rooms.

Please cut the logo out and display where your tax disc used to be. This will allow us to identify your car and further assist us in understanding the full extent of the problem.

If you are not a Trowse resident: unless you are an invited visitor or using the village amenities please support us by finding alternative parking elsewhere.
